

## **MOTION**

The Street Furniture Revenue Fund (SFRF) provides funds for transit related projects, sidewalk projects, curb/sidewalk improvements, beautification projects needed to improve conditions for public transit patrons and all expenses relating or incidental other City funds for the purpose of transit related projects.

There is a need to provide maintenance for trees planted on City property. The Westchester Streetscape Improvement Association (WSIA) and the Westchester Business Improvement District (BID) were instrumental in getting the trees planted in the Triangle Area of Westchester.

The Council office would like to support this community beautification effort by providing one-time funds for maintenance of these trees.

I THEREFORE MOVE that the Council:

1. Transfer \$2,500 from the Council District 11 portion of the SFRF, Fund No. 43D Department 50 Account XYZ to the Westchester BID, Account XYZ in order to cover the costs associated with tree trimming and maintenance of the trees located on .....
2. Authorize the Chief Legislative Analyst, or his designee, to make technical corrections or revisions as may be necessary to implement the intent of this motion.
